Dear John:

I want to take this opportunity to say thanks for the lovely gift you sent me for the holidays. You can bet that I will certainly take the time to savor and enjoy each bite, but most importantly, thanks for the tireless effort you have expended with the renovations at 185 E. 85th Street. If I have never said it, I want you to know that I appreciate all that you do for the family.

I also want to wish you and your loved ones all the very best for the holidays and beyond. I hope the New Year brings all of life's good things to you, and I look forward to a continued professional relationship with you in 2015.

Fondly,

William
